THE BERKELEY TO LAUNCH ROOF-TOP WINTER CINEMA IN THE HEART OF KNIGHTSBRIDGE THIS WINTER

Known as the place to see and be seen during the summer months, The Berkeley's Health Club & Spa will transform its roof-top garden into a pine-filled forest cinema this winter. Hotel guests and Londoners are treated to festive classics on the big screen while nestling between warm down feather Moncler blankets and hot-water bottles. Homemade hot chocolate, mulled wine and mince pies can be savoured to complete the magical atmosphere while heated lamps will keep guests warm when the cold really sets in. Screenings at the Berkeley's Rooftop Winter Cinema will take place from 1st ~ 26th December 2016.

Adding a stylish sprinkle of rustic chic are three handmade wooden chalet-inspired cabins custom made to fit two people. With a hot chocolate in hand and wrapped up in a Moncler blanket, guests will be protected from the cold while watching winter classics such as 'Miracle on 34th Street'. Towering high above bustling Knightsbridge and overlooking Hyde Park, this pine-lined outdoor theatre is London's only rooftop private cinema exclusively featuring just six seats.

To make a reservation please call the Berkeley Health Club & Spa on 0207 201 1699. A special Winter Cinema package for Londoners is available at £65 per person and includes full access to the movie theatre at 5:00PM and 7:00PM seatings, copious amounts of hot chocolate and home-made mince pies. The Luxury Winter Cinema package is available at £85 per person and includes a glass of champagne and canapés.
