## CLARIDGE'S AND SUMMERILL & BISHOP ANNOUNCE A SPECIAL COLLABORATION CELEBRATING THE ART OF ENTERTAINING

Summerill & Bishop, designers of the world's most beautiful table linens, and Claridge's, the legendary Mayfair hotel, announce a new table linen collaboration, this Autumn. An authentic love match between two true Londoners, the collection sees the magic of Mayfair and the bohemia of Notting Hill come to life at the table.

Summerill & Bishop and Claridge's share an unrivalled passion for the art of hospitality, for creating unique moments that are full of joy and spirit, and a belief that every meal at the table should be an occasion. Inspired by Claridge's inimitable art deco design, the table linens are an ode to the hotel's iconic checkerboard lobby.

The collection's showstopper is a generously oversized tablecloth, alongside matching napkins, both made from 100% pure linen. These are available in three distinct colourways. The Black & White print reflects Claridge's famous monochrome polished lobby floor, alongside Sage Green and Powder Blue.

Paul Jackson, General Manager of Claridge's: "Claridge's has been the quintessential host for over 150 years. From elaborate balls and society weddings to dinner à deux, nothing is more important to us than creating an exquisite setting, crafting a moment that will leave a lifetime of memories. This collaboration celebrates Claridge's place at the heart of hospitality with Summerill & Bishop's unique modern style, and the art of bringing people together around the table."

Seb Bishop, CEO and Creative Director of Summerill & Bishop: "Something special happens when you sweep across the marble floor of Claridge's lobby. Your gaze is met by the iconic black and white pattern in an instant as you tread across 165 years of history. The lobby is an everlasting symbol of classic Victorian architecture, so our design had to reflect this. You find yourself immersed in a world where warmth and hospitality reign supreme, a world where love is poured into every little detail in such easy elegance, to ensure you find your joy at every turn. Claridge's is truly the epitome of timeless glamour and we're so proud to share this new table linen collection with friends who strive to be the best possible hosts, just as much as we do."

*The collection will be sold exclusively at Claridge's and through Claridge's online shop and Summerill & Bishop, at the following prices: Tablecloth £355, Napkin £25*
